◆ *God's Angels are; a) Creator (engineers), b) Providers, c) Judges, the examples of providers are; service providers such as farmers, doctors, and all other similar services 'professionals'.*

◆ *Rational minds use logic to move forward decisively!*

◆ *Irrational minds aren't coherent in their decision making, irrational minds are illogical in every aspect of their decision making. Irrational minds aren't blessed human beings!*

◆ *Irrational minds require a mandated reminder of Him and His prowess, every about 500 years!*

◆ *Irrationals are always 1000% in favor of their pocket books*

◆ *Irrational will say where God's limits end, from that point onwards I come into force! All prophets and saints have declared God is limitless and boundless*

◆ *पैसे मेरे अडे नखरे उरे ! पैसा मेरा और आपका है चोंचला ! Money is mine and Shenanigans yours!*

◆ *I is not bigger than them & You all dear friends! And Them aren't bigger than Him!*
