Would you like to answer, what principles are established for Capitalism or any 'ISM to flourish?

Ans. I believe, The following are key essential principle for any 'iSM to flourish;

1. Meritocracy
2. Make various Groups, companies or families fight for Monetary Gains via Products or Acts..>Capitalism
3. For superiority based upon CASTE or Creed, or other non-sensible and unattainable traits ..>> Hinduism
4. Birth rights and man made superfluous tactics to divide citizens
5. Make weaker or less fortunate fight on behalf of Governments, Local or national outfits for its motives of Pain and gain!
