$$\text{INDEPENDENCE } [I_i] = \frac{K \cdot \text{Indeed Fair \& Just}}{[\text{Cruelty} = \text{FOS}] \cdot [\text{EGO} = \text{Wealth}]} \rightarrow ; I_i = \frac{K \cdot \text{Heavenly Treatments}}{\text{FOS} \cdot W \cdot I_m}$$

The Value Range of  $I_i$  can be 1 to 100, This is an “index of Independence”. The 100 score being the best of the best.  $I_m$ , the misery index. The value of misery index can be from 1 being lowest and 10 being High. When  $I_m$  is 10 that means, the pain and misery is highest and it can reduce the value of  $I_i$ , in this case value of,  $I_i$  can be reduced/ lowered by a factor of 10.
