

Passion is Love, Infatuation May be Irrational Love, and Infatuation for Greed is Crazyiness...!

+++++Math of Economics+++++

1 trillion = 10^{12} , 1 trillion x .01 = 10^{10} , This is 1% of a Trillion

1 Billion = 10^9 , 1 Billion = 1000 Millions

1 % Trillion = 10 Billions, 5 % Trillion = 50 Billions,

Now in case of 1000 accounts, then multiply 50 Billion by 1000

That's 50 Trillions of Your Hard Earned GDP's Portion is being Enjoyed by Swiss Citizens, every year and multiply by 72 years!
