If^N (N → ∞) An Extremely Bad Person i.e., a Crook, asks you to do something, you do less than, what has been asked for.

On the Other hand, If^N (N → ∞) An Extremely Good Person i.e., An Angel like Person asks you to do something, you do more than asked for.

When you can master this logic, eventually you will be the winner, not them, according to Him.

Proverb of Proverbs -0001
