◆ Why our Sun looks perfectly Round?
Because it is more than 1000s Lakh Yug away from "BLACK HOLE"

◆ You can behave like manmukh or Gurmukh

◆ What's Manmukh; these are those people who do not believe in God.

◆ What's Gurmukhi; these are those people who do believe in God. They prefer to live and let live and have genuine vs fake hearts /feelings!

◆ Racism is worst than COVID-19

Whosoever is racist towards you, Be a COVID-19 or worst than COVID-19, towards them, in a peaceful manner! For example non-cooperation.

◆ So if a racist is like SUN, the You be like Balckhole!

◆ When Sun is less than 1 Yug away from Black Hole(s), it looks like this

◆ Electromagnetic (gravity), Let's think about this Phenomenon at particle level of Matter: See the dust is aligned in Horizontal direction (X-axis) and light is perpendicular to plane of Dust in Y-axis direction. From matter's physical properties point of view, imagine Black hole as a giant "ELECTROMAGNET", what force is making it rotate around it's axis? Ans. I do not know at this time. It seems, In physics, if H is magnetic component of this rotating magnet, then E is electric component. This phenomenon is separating magnetic and electric portions of the matter at a gigantic micro-particle levels. How about Lightning and Electricity playing some role at Black holes?

Dialogues are Better forms of Communications with Him and others!

Monologue will make anyone, self centered, it may be necessary sometime, However, most often try to center your focus on you & others too, at the same time!

You can ridicule all you want or wish to DEVIL, However, you will know, either instantaneously or sometime in the future, when one comes to senses, what may be the consequences of your actions!

In short it may seems that, $1+1=2$, however, it may be equal to ∞

It's true that Godly actions are always much and many fold larger than that of devil's

An argument can always be settled with force or Love, choice is always yours!

You can see, if you can, that animals are selfish and GODLY behaviors are not selfish!

$1+1 \equiv 11$, in this eqn., both are wholesome or righteous one

$1+1 = 2$, in this eqn., both are average

$1 \times 1 = 1$, in this eqn., they compete and fight all the time for wrong reasons etc.!

$\{(1-1) \text{ to } (1 \times (-1))\} = \text{zero to } -1$, in this eqn., each one is opposite in brain waves

Your greatness is not what you have, but what you give.

Almighty GOD = ∞^N , Human = $\infty^2 - 1$

The Power of Almighty GOD = $\infty^N = \infty \leftrightarrow \infty$ or ∞

$N = \infty$

Human = $\infty^2 - 1 = \infty \leftrightarrow \infty$

Galaxies and Beyond

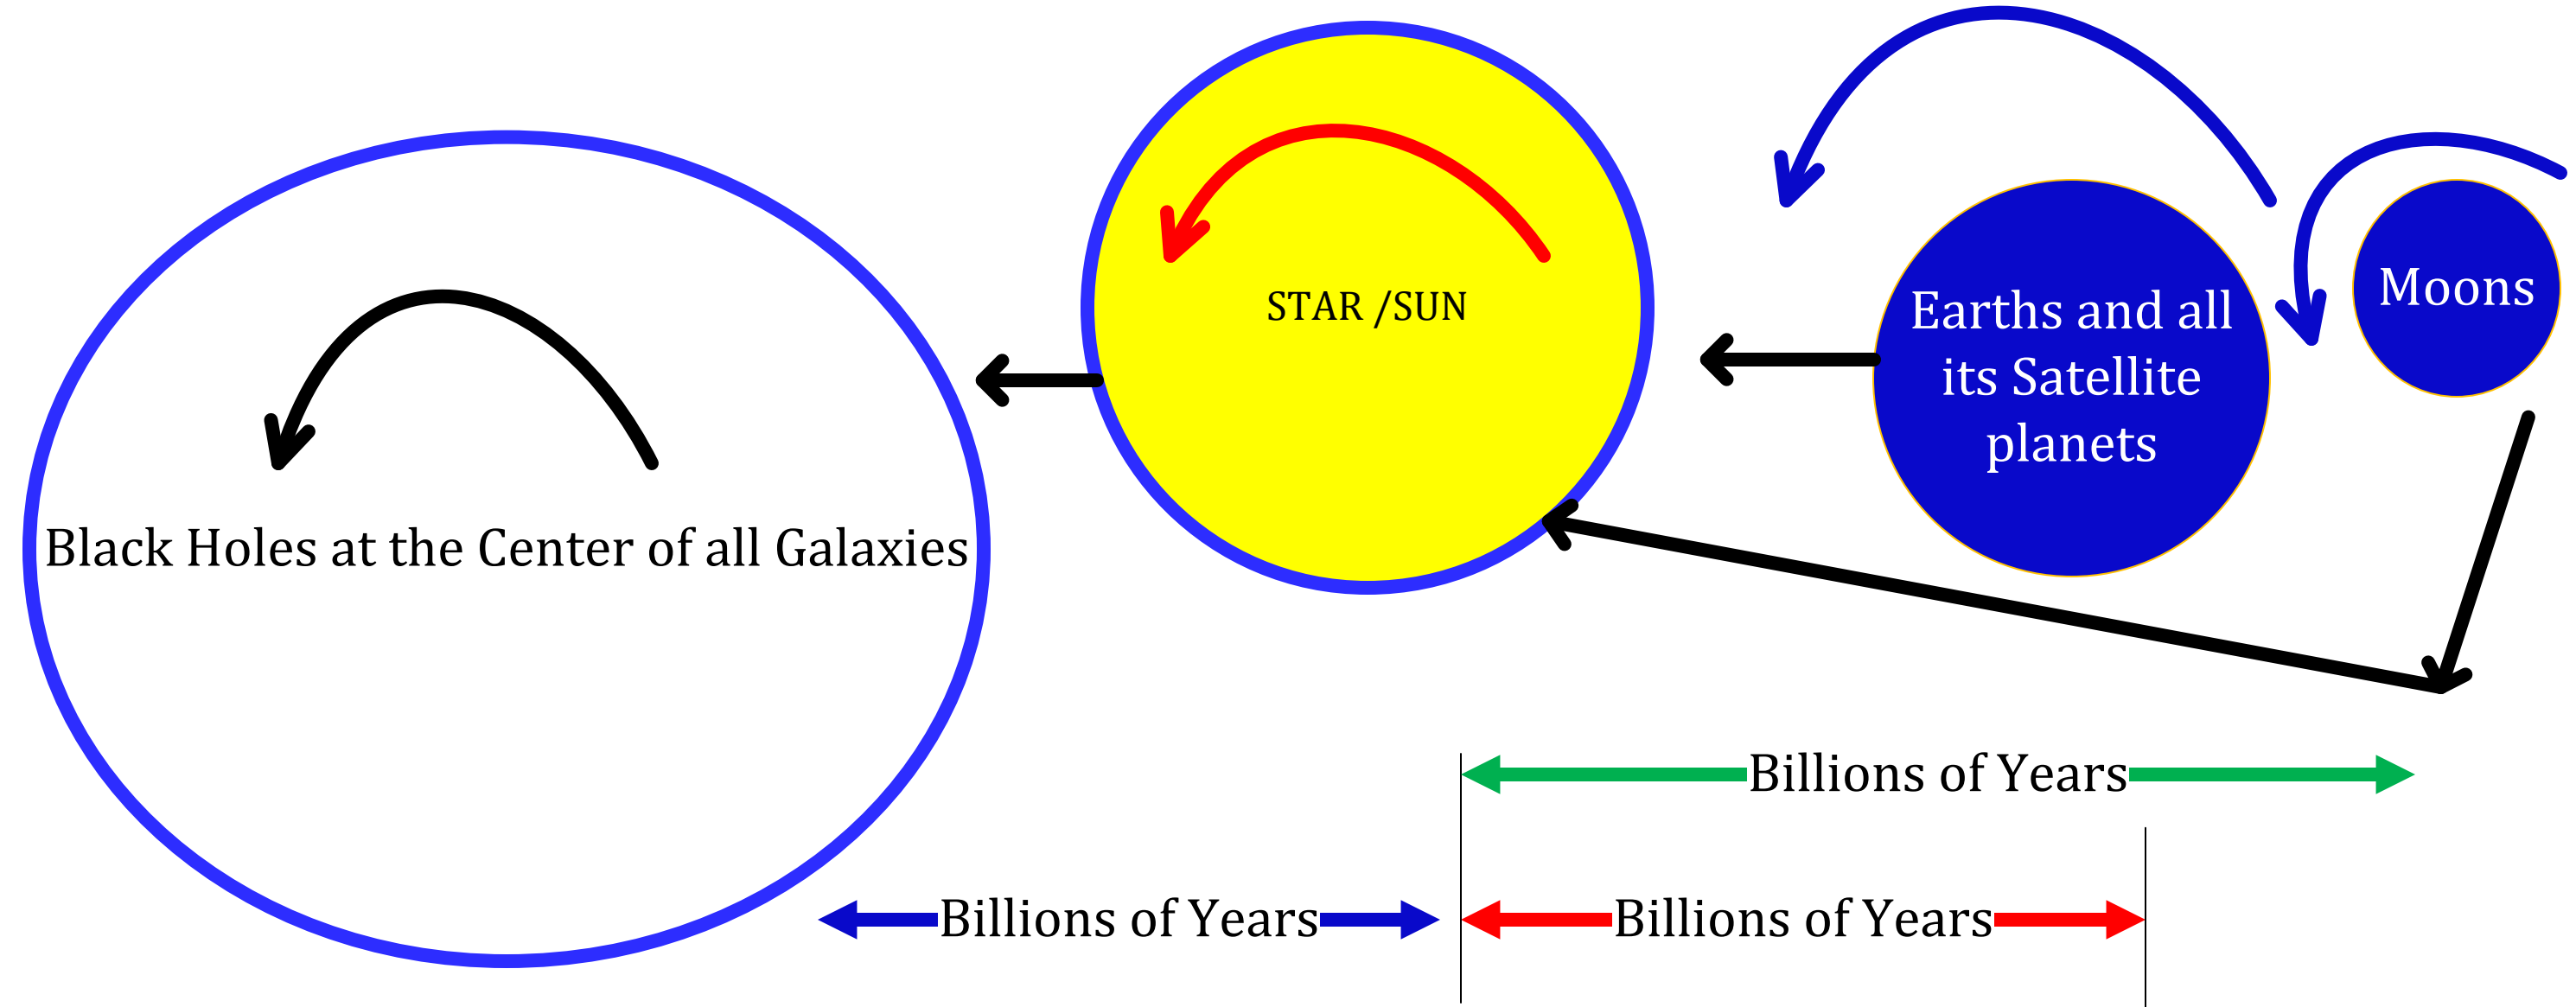

Do you know Black holes are powering all their galaxies? It makes, their stars (SUNS) and star's planets revolve around them, 24 hrs, and 7 days for billions of years.

Eventually, suns and their planets and moons fall into Stars and then Stars fall into black holes after stars' life ends! This is how universe recycles everything around Black Holes. **Those who do not believe this. They believe in fake philosophies! I Got it on Feb 28, 2019!**

Devils will always try to hide, absolute truths, from all normal humans...

God always acknowledges absolute TRUTH.

Devil believes and acknowledges Fake philosophies!
