Punglish is a language of Godly people. The Godly people are those people who believe in God, But do not consider themselves to be "GOD"

It will be a disgrace to God, when Humans, start believing that either they are God or better than God!

A race can be better in many respects than other race. However, none is and will be better than or equal to God.

Godly means, it's like God, but not God it self.

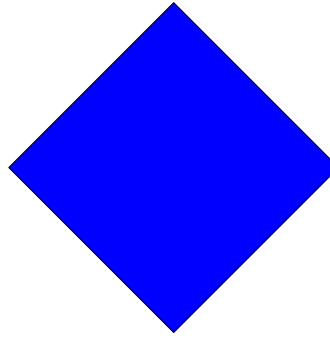

You can think, whatever, you want to be, God will not stop you. The realization and revelation be yours, not His.

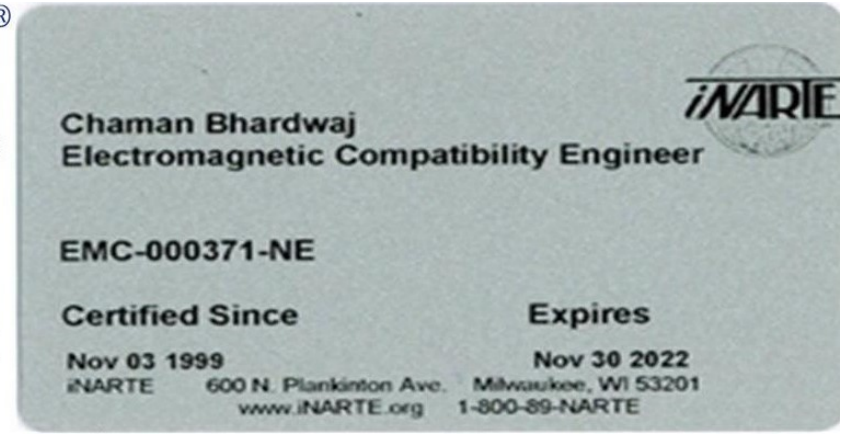

Kindness

makes you the most Beautiful person in the world no matter what you look like.

Marriage (m+f; m=f=U) & or any Relationships can be Expressed in terms of Universal Mathematics

$1U + 1U = 2U$, ਗੁਰਮੁੱਖਾਂ ਵਾਸਤੇ ਫਾਰਮੂਲਾ

For m=f=U, When $U = \infty$,

$2U = \infty$, where U stands for Union of anointed ones!

www.radiohumrahi.com/

.....And, When $U = 1$, ਮੰਨਮੁੱਖਾਂ ਵਾਸਤੇ ਫਾਰਮੂਲਾ

$1+1 \equiv 11$, in this eqn., both are wholesome or righteous one

$1+1 = 2$, in this eqn., both are average

$1 \times 1 = 1$, in this eqn., they compete and fight all the time for wrong reasons etc.!

$\{(1-1) \text{ to } (1 \times (-1))\} = \text{zero to } -1$, in this eqn., each one is opposite in brain waves

- ◆1 As long as your religious appearance is dynamic and it's in sync with His dynamic globe and His universe, then You are the GREAT EST Legend in His kingdom forever!
- ◆2 Your culture will be the proof of above statement in step #1. This Culture can't be imposed upon and it is always adopted by all willfully by those who have dynamic minds.
- ◆3 How do you treat His creation(s), will always depict, how much GREAT, cruel or dastard civilization that you are in His eyes!
- ◆4 Your languages will evolve, as long as these incorporate all phonetics that are bequeathed upon by Him on His beings. See appropriate slide(s) for your own clarity!
- ◆5 Language (s), that is (are) dynamic, and universal in appearance of its alphabets and encompasses all beings' phonetics shall represent His true and absolute creation to their fullest Potentials
- ◆6 Those will be called living stones that are devilish and static in mind power as compared to dynamic ones.
- ◆7 It has already been mentioned in all His Scriptures, that this world is running as ordained by Him. If you are not convinced, then it shall be repeated again and again for you. Any atones shall not make you pure at all
- ◆8 History is proof of the fact stated in step #7. The Scriptures that are 100% accurate or Absolute! Shall survive for ages to come or remain active FOREVER! Any fraction of mix in them by devil, shall ruin them to ashes.
- ◆9 A set of principles created out of repents is not absolute at all. Since it is correction of your past deeds or echoes thereof. Some words are spoken or uttered by devil & others by Him.
- ◆10 You will be Great, only when all his creation accepts you as Great. All Creations entails, live and not live, are in fact His gifts to us all.
- ◆11 When it is kept on repeating based upon your taste of tongue, without any regard to your age, it shall create all sorts of ills in your temple like body.
- ◆12 Similarly, when whatever pleases your eyes, that's what you would want to see around you, it's not the way ordained by Him. Balanced diversity shall always reflect His Glory!
- ◆13 Your all chattels are the gifts of Him to you, that are Earned. When these Chattels are obtained by slaving of any beings / by unjust means. This practice will make those perish that encourages such acts, remember it.

Competitive vs Supportive Spouse: In case you are lucky and your spouse is supportive, then couple and whole family will benefit from this union!
In case you are unlucky and your spouse is competitive & selfish, the wrong way; then Lawyers and Politicians /country, benefit from this union!

It is stated that Those who believe in competitive ideology, I admire them. I like this ideology too, for; 1) It helps bring the best or the worst in each of us!, 2) The external forces of Governments', in some cases are not RULES at all, in fact those matter of chance are just CRAP SHOTS of some sort! And Corporate world, when working in synchronization with Ruling class of societies: If these forces, disrupt our social and family lives adversely, it must be judged from a perspective that certain firms or governments are bent on WINNING no matter what! That means by "HOOK OR CROOK" philosophy. This "HOOK OR CROOK" philosophy is fine with me in the corporate culture or environment, since it happens in the grown ups work places, I called them "miniature kingdoms! However, if this culture of winning at any cost is applied at HOME, where, there is mix of young & innocent children, parents and grandparents. At Home, it is important that there one must see or I should say analyze from whole picture point of view. If one partner, believes in winning the wrong way at "HOME", where, children and adults live, and corporate world just lays off the employee mercilessly without giving any damn how they are helping the thought of winning by hook or crook of a bad, a very bad corporate culture and societal world at large!

These Corporate houses and Governing Class must be HELD responsible for loss of wages through the lives of the innocent and Brave Family Persons, that could be husband or wife of any household! So that everybody can understand the difference between Humans and Machines or mechanical lives! Above all, whose side are you with or on , yes you, a) HOOK or CROOKS (timid or cham-chas or yes beings) or, b) Innocent/naive and also Brave?
