The Power of Negativity at Humans Level?

Almighty GOD = ∞^{∞} , Human = ∞^{-1}

$$-1 \times \infty = -(\infty - 1) = -\infty + 1 = -\infty$$

$$+1 \times \infty = +\infty$$

$$\pm \{(\infty - 1) \times (\infty - 1)\} = \pm \infty^N$$

Notes: N = +2, for Humans; For Almighty N $\rightarrow \infty$

NOTES:

Let's say into the future 2000yrs or Later, a SUPER or DUPER Powerful Humans society of Color yellow (or u name it), can figure out something and that means for those super or Duper Humans, the value for N becomes equal to 3, instead of 2. So you see it can take more than Million years for human to reach N = infinity for humans. Can u imagine for any other human beings other than yellow color, how difficult it can be to prove what has been cited above?

Ask Not what world has been doing for You, Ask what are You doing for Your World?

It's very Easy to teach like minded and not like minded people as compared to STONES Like People (inhumans)!

Most often used pet words of Stone Hearted people are; You can give countless explanations for or against their beliefs , It has been done again and again in the past for centuries or Millenniums and will continue as if, it's their birth right.

Might is never right, amongst civilized people! Might is Right only Amongst Rascals or Rascal like Humans or wild animals!

You do not need to say 10 or 5 prayers daily. You must pray to help yourself psychologically. However, Keep him in your mind all the time. Never Forget, That He, who created this Universe, also Runs this Universe always without any Holidays or Rest!

When it is said that He Who created this Universe, Run this Universe! Does this universe runs on Electricity, Petrol, Diesel, or else? It Runs on His invisible Power of Gravitation and Devotion with faithfulness of all around Stars, Planets Big and Small!

What you see all around us all, is a Magnificent creation which comprises, Galaxies, Black Hooles, Stars and Planets Big and small. It can be put on one page of paper as an amzing picture, which can be ingrained in Mind.

No need to Shout or Yell about Him, Since He is Silent as if nothing out there, when He Roars like Lightening, Even Deaf can hear Him, not through Ears, But through skin and Eyes!

What sets us apart from Robots or Machines? Intuition, Intelligence, Learning from Past Events and Imagination

The Difference Between different Creeds of Humans on Earth is due to Weather, Geography, and Psyche or Practices of right Justice and Labor!

At the End of each day, if You feel Tired and Happy, Your have done something that you are Born/created to do.

At the End of each day, if You Feel Tired and Unhappy, Your are doing something you are not Born/created to do or live by.

Ask yourself, did You make any difference, in Your and Someone else's Lives?

Truth is More Powerful than Lie, Truth is to GOD, as Lie is to Devil.

God always blesses the right ones, and Devils Blesses the wrong ones

Consider Yourself changed, when you practice what you believe in, not when you understand it.

What goes around , it absolutely comes around, It is a guaranteed fact!

God is colorless, and limitless, scriptures describe that it is indeed Fearless too. Humans can always attempt to be Like Him, however, will never be identical in every aspect as GOD.

No one can claim that this Universe was conceived and built by Humans, In fact it has been BUILT by Him and Him only!

God is Neither, Hindu, Christian, Muslim, Buddhist, nor Else! GOD is INDEPENDENT and above Human Craps!

God is connected with His chemicals, for example neurons, or chemical compounds or elements, called by various names for communication in our bodies that connects physical manifestations with spiritual ones.

Those who do not remember or pray for His Favors will be left out in the darness forever!

God is colorless, and limitless, scriptures describe that it is indeed Fearless too. Humans can always attempt to be Like Him, however, will never be identical in every aspect as GOD.

We can all aspire to be like God, But can't be God, If God Looks like me Then I will stop believing in Him

All Planets are revolving or are in motion because of Black Holes in each Galaxy! Then What keeps Galaxies in Motion? It must be something, that is not named yet, or it seems it's Almighty Himself !

God Cares about Your Intentions; Almighty does not care about what Languages you can speak, Languages are man made communication tools that are use to convey or express your intentions

There are several options, in all aspects of life/jobs, however, favoritism based upon color or race etc., can kill /affect ones enthusiasm and then if most powerful loots at these Lowest moments, that's called broad daylight ROBBERIES.

We all the people are not aliens, in fact are CITIZENS / Humans first in this His World, the Creator of This Universe

What goes around , it absolutely comes around, It is a guaranteed fact!

Let's say If you Manage to reach nearby another Galaxy residents, what will you tell the inhabitants of that Galaxy, That You are from Galaxy called Milky way or His Universe? **Ans;** it will be BOTH.

There are minimum three views of any situation or event always! Mine, Yours and His the Almighty way. If all three ways or views are identical or are in sync, this perspective ~~not will~~ but can lead to major /gigantic transformations.

You may hide anything from people but absolutely impossible to hide from your own Children, because they live it Predator of Predator birds/animals is OWL, It has advantage of seeing in the darkness. Even Lions or its offsprings' can't escape aggression of a Grown Up OWL in the Wild/Jungle.

What do OWLS and Sharks have in common, Both are thirsty for the BLOOD of their Preys.

If whole universe of mankind is against ONE SOUL, and that ONE SOUL ouperforms all odds /tricks. Then it can be surmised that 'THAT BLESSDED ONE SOUL' is a true representation of the Power of The ALMIGHTY.

All Planets are revolving / in motion because of Black Holes in each Galaxy!

What's wage slavery?

It's new term for slavery, instead of physical slavery of mind, it's control on your wages. The wages are so low that it is extremely difficult to survive and even live decent life in the system of FLOPPED stubborn principles and dumb ideas.

- ★ Superstitions, or Un-Healthy, or Un-Reasonable Logics or Strategies can help you to survive for few centuries, However, to Live Healthy & Meaningful Lives, Your Laws, Policies and logics must be universal and broad as much as possible so that these are not required to be updated every moment by moment of your precious lives!
- ★ Might is not always right in an unjust world. However, screwed up or biased minds will never deliver an outcome that will be absolutely UNIVERSAL.

Rules for a Happy Marriage

1. Never both be angry at the same time.
2. Never yell at each other unless the house is on fire.
3. If one of you has to win an argument, let it be your mate.
4. If you have to criticize, do it lovingly.
5. Never bring up mistakes of the past.
6. Neglect the whole world rather than each other.
7. Never go to sleep with an argument unsettled.
8. At least once everyday try to say one kind or complimentary thing to your life's partner.
9. When you have done something wrong, be ready to admit it and ask for forgiveness.
10. It takes two to make a quarrel, and the one in the wrong is the one who does the most talking.

Marriage (m+f; m=f=U) & or any Relationships can be Expressed in terms of Universal Mathematics

$1U + 1U = 2U$, ਗੁਰਮੁੱਖਾਂ ਵਾਸਤੇ ਫਾਰਮੂਲਾ

For m=f=U, When $U = \infty$,

$2U = \infty$, where U stands for Union of anointed ones!

www.radiohumrahi.com/

.....And, When $U = 1$, ਮੰਨਮੁੱਖਾਂ ਵਾਸਤੇ ਫਾਰਮੂਲਾ

$1+1 \equiv 11$, in this eqn., both are wholesome or righteous one

$1+1 = 2$, in this eqn., both are average

$1 \times 1 = 1$, in this eqn., they compete and fight all the time for wrong reasons etc.!

$\{(1-1) \text{ to } (1 \times (-1))\} = \text{zero to } -1$, in this eqn., each one is opposite in brain waves

Your Extreme, selfish Belief System as Compared to Balanced Belief system will produce outcomes, Beyond One's Little Imaginations/Comprehensions !
 If a society does not practice or is not accustomed to practice above belief system, it will suffer a curse of minimum 5000 years or more. That's how long it takes at mass level to recover from mass level bad habits or unbalanced or racist traditions, eventually! This has been observed in the past!

Almighty Gives you free will to realize Him, and Have His own mysterious ways to enforce His will as Appropriate for a Society!

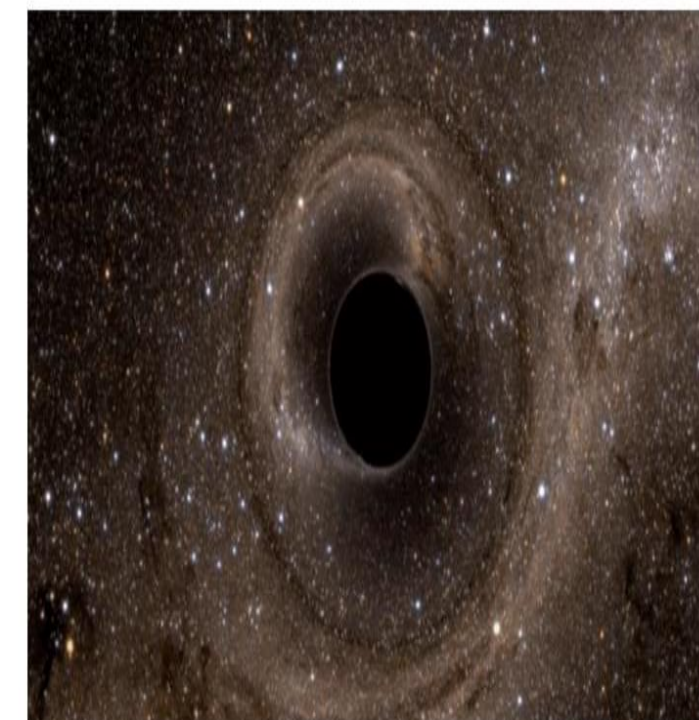

The Problem starts when people start replacing Him with Humans! Humans can be like Him and can never Be Him!

No matter how smart or powerful you can become; This universe has come into existence according to His Principles and will eventually evaporate to recycle through Suns and Black Holes!

Symptoms of Viruses

Basic symptom checker

Data files being corrupt are a sign of a virus, although there are many different causes for a file to become corrupt.

Programs start running improperly. This can also be because of a corrupt data file from something else, but a virus is another reason.

Your home page changing, if you start up your browser and the homepage is different, or you have a new toolbar, then this is probably a virus.

Icons for programs and files disappear; this can be because a virus deleted a specific file type or a program.

Any strange changes like odd messages and sound changes can often be caused by viruses as well.

Steps for Protection

- Have good antivirus software
- Keeping all programs updated.
- Using a firewall.
- Creating strong passwords for everything.

Employees stay when they are:

Paid well

Mentored

Challenged

Promoted

Involved

Appreciated

Valued

On a mission

Empowered

Trusted

"Your most important assets aren't your clients; its your loyal employees. If you take care of your employees, they will take care of your clients."

Sometimes the chains that prevent us from being free are more mental than physical.

Looking for Better Deal, than Last years! Wishing You and Your families A happy, blessed and prosperous New Year 2019. God Bless Us!
