

Be Millions times Nicer, This will end little skirmishes/Talks ..., 1st Preference must be Given to Words, Not Bullets, However, if they like to talk with GUNS then so be it.. PEACE MUST BE THE MOTO NOT VIOLENCE, Always or until it makes sense to them, Be Proactively Reciprocal for Good for Best or Bad for Worst as it is appropriate; Good for Good and Vice versa. Let them choose, own their own, whatever, that may be...Speak their language First , Then if not understood correctly, Then for GOOD forever, teach YOURS! Good for Best and Bad for Worse responses are very well taken in real life! It's not TIT for Tat, it is Did for Deadly!

ਚ ਭਾਰਦਵਾਜ

One more point; divide any problematic situation into very small pieces like equal to states or desh then start trade with each piece or country, and then engulf each piece by piece assimilate in your own territory by making them dependent upon your trade!
